Book your tour now!

The White and Blue Rivers meet north of the Sudanese capital Khartoum. The Nile flows through the Sudanese desert into Egypt in a northerly direction and passes through the city of Cairo, located on the large delta of the river (the Nile Delta), then through the cities of Damietta and Rashid and finally empties into the Mediterranean Sea.

Itinerary

Nile River boat ride Cairo day tour from airport

On the day tour to have a Nile River boat ride Cairo day tour from airport, in the beginning, you will be picked-up and taken by a private air-conditioned car with an expert Cairo day tours tour leader, and a professional tour guide, to start the visits of your unique tour with the first spot.

The Pharaonic village:

The Pharaonic Village was established in the city of Cairo, by the Egyptian architect, Hassan Ragab. This idea came to him when he visited America and his vision of the village of Williamsburg in Virginia, which tells the life of the first settlers of the United States, and he chose Jacob Island as a place for the Pharaonic village.

The Abden palace:

The events of the series began with the preparation of the palace for the thirtieth birthday of Khedive Ismail in Abdeen Palace, which means that this celebration was in 1860, that is, before the establishment of Abdeen Palace, which was completed in 1872, and became a center of government.

then you will be taken to have your tasty lunch in a good quality restaurant, then you will transfer to take your ride on the Nile river by a motor boat for 2 hours.

then when the tour is done you will be taken back to your hotel where will be our end of service.

Day meals: Lunch.
