Itinerary

Trip to Giza Pyramids, Dahshur and Meidum Pyramid

A Cairo Top Tours representative will meet you in the hotel lobby to begin your tour of Egypt’s ancient monuments, starting with the iconic Pyramids of Giza. You’ll first visit the Meidum archaeological site, home to a step pyramid built for King Snefru, father of King Cheops, who is known for the Great Pyramid at Giza. Afterward, you’ll be transferred to Dahshur to see two more pyramids from the 4th Dynasty of the Old Kingdom.

At Dahshur, you’ll explore the Bent Pyramid, which has a distinctive curve due to its sloping sides, and the Red Pyramid, the third-largest pyramid in Egypt after those of King Cheops and King Chephren. The tour then continues to the Giza Plateau, where you'll marvel at the Great Pyramids of Giza, built for three kings of the Fourth Dynasty. Stand in awe of the Great Pyramid of Cheops, which has towered for over 4,500 years, and the Great Sphinx of King Chephren, a majestic figure with the body of a lion and the head of a man, symbolizing strength and wisdom. You’ll also have the option of a camel ride around the Giza Pyramids, perfect for capturing memorable photos of your incredible Egypt tour.

Lunch will be served either during your Egypt Day Tours or at the end of your Cairo trip.
