Day 2: Tour of the Bahariya Oasis

After breakfast on the second day of your vacation, you will travel in an air-conditioned car to the Bahariya Oasis, where a professional tour guide will accompany you to explore this magnificent place.

The first place you will visit is the Museum of Golden Mummies. Egypt's largest Greco-Roman cemetery is the 36 km² Valley of the Golden Mummies, which was found in the Bahariya Oasis in 1996 AD. The majority of the 250 or so mummies that were discovered belonged to a wealthy class that had resided in Bahariya Oasis during the Greco-Roman period.

Black Desert is the next stop; it follows the [Bahariya Oasis](#) and is located slightly to the north of White Desert. The thin layer of black powder that envelops the rocks, mountains, and desert gave rise to the name of this desert. You will have lunch here while you are here.

We'll finally return you to your hotel so you can spend the night there.

Day 3: Tour of the White Desert.

You will have breakfast at the hotel on the third day of your vacation before being driven to the most famous desert.

The first place is [The White Desert's](#) calcifications belong to a special class of very old geological phenomena called karst. It took them 80 million years to start emerging. These calcifications eventually created caves, where erosional pressures later crystallized.

After enjoying a delicious meal, you'll camp out in the pristine desert for the night while admiring the magnificent sky and stars.

Day 4: Tour of the Farafra oasis.

On the fourth day, you will be picked up after breakfast and driven to the [Farafra Oasis](#), the final oasis in the western desert, where your tours will begin.

When it comes to the natural elements of his paintings—which depict nature and the realities of daily life—the Badr Museum in Farafra Oasis stands out.

We then will visit Well No. 6, which is one of the wells that generate hot water and is utilized in medical tourism due to its abundance of health-promoting minerals. After which we will return you to the Farafra Hotel so you can spend a comfortable evening there.

Day 5: Returning back to Cairo

The hotel will provide breakfast, after which you will be driven back to Cairo to begin your next journey. You can take some rest at your hotel or choose one of our optional tours in Cairo.

Day 6: Sightseeing Tour in Cairo

Our tour guide will come to your hotel to start your Cairo day tour. The first stop on the tour is the Pyramids of Giza, which are historic buildings that are regarded as miraculous from an engineering perspective because of their elaborate and comprehensive design in contrast to the traditional building methods employed when they were built more than 4,500 years ago.

After lunch at a local restaurant, we will transfer you to [the Coptic Cairo](#) and the Amr Ibn Al-Aas Mosque, the fourth mosque constructed in Islam and the first in Egypt and Africa. Among the most beautiful ancient Egyptian sites are the Coptic Museum, Church of the Virgin Mary, Hanging Church, and other churches, which complete Egypt's religious itinerary. After that, our car will take you back to your hotel in Cairo.

Day 7: Final Departure

On the final day of your trip, after breakfast, a private car will drop you off at [the Cairo International Airport](#) to catch your flight back to your home.
