You can produce original images at specific times of the day when the play of shadows creates an even more amazing scene. The most common way to travel through [the Black Desert](#) is by private vehicle (rented or excursion), as the minibuses that arrive or depart from the capital do not, as would be expected, have a set stop in the region. The Valley of [El Haize](#) is located about 50 kilometers south of Bawiti, the main village of the Bahariya Oasis. Including a stop to admire the charming crystal at Crystal Mountain and the lovely Valley of Agabat. Camping in the White Desert is an excellent choice. Next on your itinerary is a visit to [Luxor Temple](#), an immense ancient Egyptian temple situated on the east bank of the Nile. Originally established by King Amenhotep III during the New Kingdom, it was later completed by the renowned Pharaoh Ramses II of the 19th Dynasty.
