### **Giza Pyramids and Sphinx**

The Giza Pyramids Tour will be a memorable half-day tour option and features exploring Giza's Pyramids and Sphinx with a professional licensed Egyptologist guide. The experience is fully organized with hotel pickup and drop-off in Cairo or Giza to allow for a comfortable hassle-less trip.

The journey commences at the Great Pyramid of Khufu or Cheops, formerly one of the Seven Wonders of the Ancient World, standing at 146 meters when first built. Learn much of its ingenious engineering and ponder its mysteries of construction. From there, visit the pyramids of Khafre and Menkaure, each bearing distinctive features that tell the tales of the Old Kingdom Pharaohs of Egypt.

As you proceed with the guide, you will arrive at the Valley Temple, a wonderful architectural masterpiece built of massive blocks of Aswan granite, where the mummification of King Khafre took place. The beautiful statue of the Great Sphinx, an enigmatic guardian figure having the body of a lion and the face of a man, representing strength and wisdom, finds its home here.

For a special experience, enjoy an optional camel excursion on the Giza Plateau with extraordinary panoramic views and perfect opportunity for great photos.

After a magnificent memory lane through history, you will be dropped off comfortably back at your hotel in Cairo or Giza, cherishing unfading memories of Egypt's most popular landmarks.
