Sound and Light Show in Karnak Temple

Your temple exploration starts with your hotel or cruise pickup by one of our tour representatives in Luxor. The Karnak Temple complex emerges as your destination through an air-conditioned convenient ride from Luxor.

When you arrive you will find yourself in awe of Karnak Temple's massive entrance which remains the biggest religious building created in human history. The powerful combination of temple nightscape reveals the historical narrative in addition to its ambient sound features after sunset.

The preview of Sphinxes Avenue begins while you walk through it.

Timeless pharaohs from antiquity reveal how they built the temple while describing its dedication to Amun-Ra.

Watch the Great Hypostyle Hall where 134 impressive columns shine with spectacular effect. The temple lights illuminate the Sacred Lake and create a further enchanting atmosphere.

Relax by looking at Karnak Temple overnight and creating amazing pictures from its magical atmosphere in the final moments of the performance.

The night concludes with a comfortable vehicle ride returning you to either your hotel or cruise ship while you carry with you special memories from the reanimated Theban past.
