Tour to Edfu and Kom Ombo Temples

The journey with a professional guide starts from your Luxor hotel through Cairo Top Tours' hotel pickup service. Your journey begins with a picturesque journey that leads you to Edfu which houses the majestic Temple of Horus. During Ptolemaic rule between 237 and 57 B.C., architects constructed the well-conserved temple that honors the falcon god Horus at its center.

At Kom Ombo you will examine the double temple complex that honors Sobek the crocodile deity and Horus the Elder. From its summit position above the Nile, this architectural masterpiece invites visitors to experience both the religious dualism and detailed artwork of old Egypt.

Finish your adventure by retreating to Luxor for a picked local restaurant meal followed by hotel drop off. This excursion combines academic learning with discovery while allowing guests to enjoy leisure time along the mythic Nile River.
