An exhilarating adventure via Egypt's fantastic landscapes Colored Canyon and Mount Sinai Safari Tour. This adventurous safari tour takes one through the heart of the Sinai Peninsula, which is where nature takes over. The real Colored Canyon shows off just one of nature's beautiful works of art, as the countless threads of sandstones, millions of years molded into different patterns, present an extraordinary display of red, orange, yellow, and purple shades, creating visual spectacles. Wandering through narrow passages and up-to-towering rock formations about the raw beauty of the desert, paradise on earth for photographers and nature lovers.

The adventure takes us to the holy place-Mount Sinai-legendary site steeped in historical and religious meanings. Mount Sinai is considered the sacred mountain where Moses is said to have received the Ten Commandments, and it's spiritually and historically great for both seekers and scholars. Be it sunrise on top of the mountain or a visit to St. Catherine's Monastery site of one of the oldest Christian monasteries in the world, the leg of the tour promises to offer history and spirituality in a beautiful blend.

This is all experienced by taking off-road desert driving for 4x4 transport and safari tours. This all includes visits to local Bedouin tribes in the world-famous stillness of the silvered Sinai wilderness. Expert guides will open up the desert landscapes, geology, culture, and history. Whether for the dramatic landscapes, because of their historical significance, or their thrill at the experience, the Colored Canyon and Mount Sinai Safari Tour has an all-in-one package of adventure, natural beauty, and richness in cultural heritage.

# Colored Canyon and Mount Sinai Safari Trip in Sharm El Sheikh

The day would begin with an early morning pickup from your hotel in Sharm El Sheikh, and a comfortable drive in a 4x4 vehicle would take you into the 4x4 adventure into the heart of the Sinai Peninsula. Experience the breathtaking sight of arid mountains and vast golden dunes while cruising on the rugged desert surface in the 4x4. The first place where you would stop before reaching a colored canyon, one of the world's natural wonders, known for its multi-colored rock formations, all crafted over time. Guided trekking through the incredible winding sandstone corridors would take you alive to the amazing play of colors and would make you capture incredible images of this unique geological masterpiece.

Continue your journey with a trip to the world-renowned sacred Mount Sinai, a place considered most holy within the world's site. This, according to biblical tradition, was where Moses received the Ten Commandments. If you feel like it is a little challenging, join the guided hike to the peak to have an aerial view of the desert landscape. Another option is the exploration of the senior citizens' one in this world, the St. Catherine Monastery-one of the oldest Christian monasteries in existence, the prosperity of myths about significant religious relics, ancient manuscripts, and the famous Burning Bush.

After a visit to the spiritual and historic, it would only be right to sit in a Bedouin camp for a sumptuous local meal of authentic cuisines and to enjoy the traditional desert environment where you might lie down and relax. Then you will ride to the beautiful desert safari floor, where an experienced driver will take you to cruise across the rolling dunes for an exciting climax to your adventure before heading back. Finally, late in the afternoon, return to your hotel in Sharm El Sheikh, bringing with you some of the most unforgettable memories of these alluring landscapes, the rich history, and the cultural wonders of the Colored Canyon and Mount Sinai Safari Trip.
