Mahmya Island

In the geographical scope of the Red Sea Governorate, there are about 39 distinct marine islands, most of which are located near famous diving sites where tourists from all over the world come to practice diving in their depths, the most famous of which is Mahmaya Island, where you can relax on its beaches and do many activities.

Mahmaya Island is located near the large Giftun Island, one of the largest offshore islands where tourism activities are held. Giftun Island has a cafeteria, a restaurant, and a marina to welcome tourists. It is about 11 kilometers from the beach of Hurghada City and approximately 18 kilometers in area, and hundreds of safari boats are launched to it on a daily basis.

Enjoy our trips to Hurghada a diving trip in the depths of the reserve island to see what is in the depths of the Red Sea, where the depths of the Red Sea include great secrets and another world of magic and beauty, as some coral reefs in the depths of the Red Sea reach millions of years, making them a natural magic that attracts those who love diving to see it.

Full-day snorkelling trip to Mahmia Island

You will arrive at the protected island by boat after our representative picks you up in a modern car in front of your hotel or resort in Hurghada.

After about an hour, you will reach Mahmaya Beach, which is located about 11 kilometers from Hurghada city to the east, within the waters of the Red Sea, 'Mahmaya' Beach is the most beautiful natural beach in Hurghada competition, which is located on the back of the island of Giftun and few have seen it.

Mahmaya Beach is characterized by white sand and clear water that attracts everyone who visits it, as the seawater mixes with the white sand, making its visitors see the seabed. Mahmaya Beach is located on the other side of Giftun Island, where it is not seen by many sailors to the front side of Giftun Island, where it is called the VIP beach, due to its visitors who are always from the upper classes due to its high prices.

When you arrive at this distinctive beach, you can relax on its sand or snorkel to see its depths and enjoy its crystal clear waters. You will then enjoy your delicious lunch and later in the day, you can have drinks at the bar. Finally, you will sail back from Mahmia Island to the jetty. You will then be transferred back to your hotel after your snorkeling trip to Hurghada's protected island.
