Red Sea Marine Life Watching Trip

If you don't wish to dive, snorkel, or swim, but still want to explore the underwater world of The Red Sea, we offer glass bottom or submarine rides that can be taken from Sharm El Sheikh. In Naama Bay, we also offer a wonderful glass bottom boat trip that allows you to explore Sharm El Sheikh's coastline. Within the glass bottom of the boat, you can also see the colorful fish and coral reefs that The Red Sea of Sharm El Sheikh is famous for.

This specific trip is among the most distinctive cruises during which you capture the beauty of colorful fish and coral reefs. We allow families and friends to enjoy this captivating cruise at any time throughout the day.

The Glass Boat trip in Sharm El Sheikh is a boat, whose bottom is made of glass that sails you on a tour to enjoy seeing the fish and colourful coral reefs at the bottom, through the glass bottom without the need to swim or dive, while enjoying on the boat's deck to see Naama Bay, as it is a sea tour inside a beautiful boat, roaming passengers large areas and giving them the possibility of watching the sea through its transparent glass floor!
