

Half Day Trip to Ras Mohammed National Park

Price Starting From : \$50

Day Trip
Egypt
Sharm El Sheikh

Visit Egypt, which has over 30 beautiful reserves, each with its own environmental features. One of the most important features is its biodiversity and type of tourism, which is famously linked with the world heritage.

In 1983, Ras Mohammed was declared a reserve, it is famous for swimming and diving. The eastern side of the reserve features a rocky wall that has the Gulf waters, which is famous for its unmatched variety of coral reefs. Additionally, it has a mangrove channel that runs approximately 250 meters, separating the Ras Mohammed peninsula from Baera island.

The Red Sea undoubtedly has the most spectacular marine life with warm waters, fragrant coral reefs, and colourful rainbow fish.

Many tourists love scuba diving, which has made Sharm El Sheikh famous, especially Ras Mohammed reserve where the Yolanda coral gardens are located. Diving is also available in Nabq reserve and Abu Galoum.

Itinerary

In Sharm El Sheikh, Ras Mohamed via Boat

Our representative will meet you outside the hotel and get entrance to the Ras Mohammed Reserve. You will board a boat when you arrive and spend two hours in the reserve, where you may snorkel or just relax while enjoying a delicious supper and the stunning natural surroundings.

Coral reefs encircle Ras Mohammed Reserve on both sides of the ocean, and the reserve is distinguished by its deep-sea coral beaches, vibrant fish, endangered sea turtles, and uncommon aquatic life. Earthquakes have helped to create water caverns under the island, and the establishment of the Ras Mohammed Reserve is a unique structure that has a significant influence on the development of local natural life.

More than 260 species of migratory birds, most of which are waterfowl, pass through the Ras Mohammed Reserve, and the number of resident birds reaches about 8 species, and many internationally threatened birds have been spotted there, such as the Ghala Mara, the Black-winged Abu Al Yasir, the Striped Shark, the Red Zaraqawi, the Red Blue Marzah, the Baghtha Marzah, the Locust Falcon and the Royal Osprey.

After relaxing, you will be transferred back to your hotel
