The reception will lead you to your preferred luxury hotel that stands in the center of Cairo through a private air-conditioned transportation service.

Upon arriving at your hotel enjoy a short rest period prior to beginning your exciting travel experience. Opt to spend time at the hotel for relaxation or discover surrounding attractions because this time allows you to be prepared for brilliant Egypt experiences.

Your stay begins on a pleasant note when reception serves you your first drink at no cost.

Day 2 : Full day tour of the Pyramids & Sphinx

Your Cairo tour begins after enjoying breakfast at your hotel establishment.

A professional tour guide will collect you to initiate your Old Cairo exploration at the Citadel of Salah El-Din followed by ascension to its fortifying heights. View the structures of Sultan Hassan Mosque featuring expansive architecture as well as Al-Rifa'i Mosque that includes royal mausoleums.

The Al-Muizz Street presents itself as an open-air museum of Islamic Cairo that displays centuries-old buildings together with mosques as well as local markets. At the Gayer-Anderson Museum your tour showcases both Ottoman and Mamluk architectural styles through a residence which displays its antique artifacts.

You will stop at Dahshur following your lunch at a local restaurant to visit both the Red and Bent Pyramids that Pharaoh Sneferu constructed. Dahshur provides visitors with the rare opportunity to walk inside ancient structures because it lacks the high visitor count at Giza Pyramids.

The National Museum of Egyptian Civilization (NMEC) serves as your final stop for the day since you will view mummies of prominent pharaohs Ramses II and Queen Hatshepsut in the Royal Mummies Hall.

Your private driver will handle your return journey to your hotel in Cairo to spend the night.

Day 3 : Cairo Sightseeing Tour including the Egyptian museum

After a morning breakfast at your Cairo hotel you should prepare for your private tour. A certified tour guide will personally greet you at the meeting point for a visit to the Grand Egyptian Museum where you can see

all pharaonic artifacts including those from King Ramses II and the full exhibit of Tutankhamun.

You will visit Manial Palace while dining at a top-rated restaurant after enjoying lunch. This palace was designed by Prince Mohammed Ali who combined Islamic Persian and European architectural elements. View historical Egyptian royal architecture alongside expansive gardens at this site which reveals the country's royal history.

The tour guide will continue leading you to Coptic Cairo before showing you the Cave Church of St. Simon along with the Monastery of St. Mercurius which represent significant Christian history. The first Islamic capital of Egypt Fustat provides opportunity to explore while you will visit the colorful Muizz Street that features both historic buildings and traditional shops.

The Souq Al Fustat market offers you the perfect way to finish your tour since it presents handmade crafts alongside authentic souvenirs.

The journey concludes with your private car driver returning you to your hotel in Cairo for overnight rest.
