The Great Pyramid of [Cheops](#) in [Giza necropolis](#):

The Great Pyramid was built during the [Old kingdom](#) 4500 years ago. During our Egypt Classic tours, you will have some free time to go inside if you wish or to take some photos of the enormous structure while your tour guide tells you the story of the pyramids.

The second [Pyramid](#) of king Chephren:

Chephren is the 2nd reigning son of Cheops, he built his pyramid in Giza slightly smaller than his father's in respect. as well as the famous Sphinx which is the largest among the sphinxes in Egypt.

The third Pyramid of king Mycerinus :

Lastly, you will get to see the smallest royal pyramid in Giza built for king [Mycerinus](#) of the 4th dynasty from above the high plateau, where you will have the availability to enjoy a camel ride in the Giza Pyramids (optional activity) to take amazing photos.

The Great Giza Sphinx:

Which stood as a guardian to the whole necropolis, it was carved from one stone 73 meters long in a figure of a lion with a man's head, smart like a human, and as strong as the lion.

The Valley Temple:

One of the oldest temples in Egypt and it is located right in front of the Sphinx, the temple was principally built to perform the ritual known as the opening of the mouth for King Chephren, so that his Mummy can eat, drink and talk properly in the afterlife.

Memphis City:

You will be transferred for about 35 minutes drive to visit the open-air museum in the ancient city of Memphis to explore the treasures and masterpieces that remain from the oldest capital city of the Egyptian empire since the time of King Menes 5000 years ago after the unification of the two lands.

Saqqara:

Transfer to Saqqara necropolis, one of the richest and oldest archeological sites in the world, and the home of 11 royal pyramids and many Mastaba tombs for the high officials, aristocrats, and nobles as well as the relatives of the Pharaohs of ancient Egypt. You will see the [Step Pyramid](#), which is the oldest pyramid built by the famous architect Imhotep to King Djoser and it is considered the first stone building in the world.

The tour includes an entrance to [the pyramid of Teti](#) which is inscribed from the inside with hieroglyphs and Cartouches of the kings, the Cartouches are oval or elongated confining a group of Egyptian hieroglyphs (symbols), typically representing the name and title of a king.
