Welcome to Egypt

Early in the morning,

A representative of Cairo Top Tours will meet you at Cairo International Airport to take you in a comfortable, air-conditioned car to start the exploration tour.

Where our tour begins by heading to the Giza Plateau to see one of the ancient seven wonders of the world, the Great Pyramid of King Cheops, as well as the pyramid of King Chephren with the Valley Temple where the royal corpse of the king was mummified prior to burial rituals, the Great Sphinx, which was believed to have been carved from bedrock stone to the same king with its appearance of a man-headed lion that denotes the strength of the Continue to the high plateau for a panoramic view of all three Giza Pyramids after that, you will enjoy ridding a camel around pyramids.

Our tour guide will take you inside the Giza pyramid, which is a popular desire among tourists. The pyramid contains three chambers, namely the King's Chamber, Queen's Chamber, and Grand Gallery. The King's Chamber is the most extensive and beautifully adorned, featuring a red granite sarcophagus where the pharaoh's body was placed. Although smaller and less decorated, the purpose of the Queen's Chamber remains a subject of debate among archaeologists. The Grand Gallery is a long, sloping corridor leading to the King's Chamber.

After the pyramid exploration, you will have the opportunity to enjoy a unique and popular activity for visitors to Egypt, which is a camel ride in Giza. The stunning backdrop of the Pyramids of Giza and the desert enhances the experience.
