Day 2 : A Visit to Lahun and Medium Pyramids

The next morning early,

after breakfast, we will go to visit the most famous and strangest pyramid in terms of shape, a [tour of the pyramid of Lahun](#). It was built on an already existing limestone mound as a foundation and core, 12 meters high to reduce the amount of work required to build it.

The entrance to the pyramid led to a number of complex passages that surrounded the burial chamber with a unique design to deceive thieves.

The king's sarcophagus was made of light red granite and was found in the burial chamber. After the discovery of the pyramid of Lahun, we will go to visit another pyramid called Meidum. It is the first pyramid built in the ancient Egyptian Pharaonic era, and it takes the form of a square it is said that it was not completed, and it is the first real pyramid.

After finishing, we will go to have lunch and then go again with the driver by car to Cairo International Airport again.
