[Itinerary](#)

Day tour to the Baron palace, NMEC, and Pyramids.

on this day you will have the unrepeated tour the Day tour to the Baron palace, NMEC, and Pyramids, where you will be taken to visit Cairo sites after you meet our expert Cairo top tours tour leader to take you to:

the Giza pyramids:

The pyramid entered the list of the seven wonders of the world, and this is because of its high rise and great construction; The height of each side of the pyramid is 231 meters, and the weight of each brick in the pyramid is 2.5 tons, while the weight of the entire pyramid is 6 million tons. The pyramids are located in the Egyptian area of Giza, that is, in the western region of the Nile River.

the national museum of the Egyptian civilization (NMEC):

The museum accommodates fifty thousand artifacts that tell the stages of the development of the Egyptian civilization, in addition to a display of the achievements of the Egyptian man in various fields of life since the dawn of history until the present time.

the Baron Palace.

This palace was named "The Baron's Palace" after its owner, the Belgian millionaire Baron "Edward Empain", who came to Egypt from India at the end of the nineteenth century, a few months after the opening of the Suez Canal.

at the end of your trip, you will be taken back to your drop-off location by the AC Vehicle.
