Day tour To Giza pyramids

At the beginning of the day of your Day tour to Giza pyramids, you will be picked up from your hotel, and you will be taken to the first spot of your tour with an AC Vehicle, with your private tour guide.

the Giza Pyramids:

The remoteness of the pyramids is a mystery that baffles the world after most scientific attempts have failed so far to discover the way in which the ancient Egyptians built this eternal miracle, but the matter is not without some attempts at interpretation, which were described as superstitious.

when your tour ends in the three known pyramids you will have your quad bike pyramids safari, then go to visit.

Dahshure:

Information about the Red Pyramid in Dahshur. [The Red Pyramid](#) is located a short distance from [Saqqara](#), and was built in Dahshur for Pharaoh [Sneferu](#), Khufu's father, and is the first "real" pyramid and has the second largest base among all the Egyptian pyramids.

then you will have your lunch in a good restaurant with its Egyptian ingredients recipe.

then you will be taken back to your drop-off location where will be our end of service.
