Itinerary

Giza Pyramids And Islamic Cairo Mosques Tour

We will pick you up from your hotel where our tour guide will be waiting for you with an airconditioned vehicle to start off your day by visiting one of the seventh wonders of the ancient world; <u>the Giza pyramids</u>.

Your trip will begin by exploring the Giza Necropolis area by visiting the three Great Pyramids: Khufu,

Khafra, and Mankawra, the valley temple of Khafra, which is considered one of the best-preserved valleys in Egypt, and finally the Great Sphinx: which is also considered one of the largest sculptures in the world.

After leaving the pyramids area, we will transfer to a near local restaurant to have a delicious lunch. Then, our next destination will be Citadel square. We will head to Sultan Hassan mosque (1359); the masterpiece of Mamluke architecture. As the Giza pyramids are the icon of ancient pharaonic Egypt, <u>Sultan Hassan mosque</u> is the one for ancient Islamic Egypt, as well as <u>El-Rifai mosque</u> (1912) with its unique structure and worship hall decorations.

And at the end of the day, you will be transferred back to your hotel!
