[Itinerary](#)

Day 1: Aswan

Meet our professional Egypt tours, and tour leader at your hotels as you will be taken to catch your flight to start a tour, one of the Egypt day tours, and one of the [Cairo day tours and excursions](#). Right on the second you reach Aswan, you will be taken to the powerful temple [Abu Simbel](#). After you meet your tour guide, therefore your first spot of your journey is:

Abu Simbel:

This temple is the most important Nubian monument, as it became part of the UNESCO World Heritage Site, this temple is a world-known site, so don't miss the chance to discover it and know its stories, and see its greatness with your own eyes.

After you have done your visit it is time for a tasty lunch, you will travel to [Aswan](#) at first by a private AC car, where you will get your delicious lunch at an oriental restaurant.

Then you will go directly to do a check-in, in a 5-star hotel to have your overnight to have a deep sleep and to prepare yourself for the next day's tour.

day 2: Luxor attractions.

On the second day of your adventure, first, in the early morning, you will have your breakfast in the hotel and get ready to travel from Aswan to Luxor by the first class train, right when you reach Luxor you will have your AC car ride to transfer you to the majestic temples and tombs.

and the first spot in your Luxor attractions trip is the [valley of kings](#).

In ancient times some of the king's tombs got robbed therefore they decided to bury the kings under the floor in a hidden tomb to make sure of their safety.

The [hatshepsut tempel](#).

this unique archaeological project of the queen Hatshepsut that owned the name of the pharaoh she was the first woman to have that name, on the walls of the temple you will see the life cycle written in hieroglyphic.

then you will be taken to the [colossi of Memnon](#).

these are two enormous statues with three faces of [king AmenhotepIII](#), his wife Tyie, and the mother Mutemwiya, and these two statues got built multiple times.

then it is time to recharge your power again with a tasty lunch in an oriental restaurant with a Nile view.

then it is time to see the [Karnak temple](#).

this temple complex was built in the Ptolemaic era. as a result of its large size, it became the capital of the religion in the heart of Thebes.

Now end your trip by transferring to the [Luxor airport](#) to catch your flight back to Cairo.
