Cairo Layover Tour to Dahshour Pyramids & Felucca Ride

our Cairo professional Tour guide will pick you up from [Cairo airport](#), to start your full-day tour, the first stop will be at the ancient site of [Dahshour](#). The Bent, North, and [Red pyramids](#) are the three that may be found in this remote area. The fourth dynasty's founder, Pharaoh Snefru, is the owner of both pyramids, while his wife, Queen Hotep Heres, is the owner of the third.

You will go to this location to see [the Bent Pyramid](#), which was an early attempt to create the Step pyramids' design. This pyramid's two-level design and lovely soft casing layer make for an intriguing appearance. Explore this pyramid and have a peek at the queen's little pyramid.

Stop at [the Red or North pyramid](#) after that. The earliest authentic and comprehensive pyramid in ancient Egypt is this one. You will be informed about how the Old Kingdom's royal tomb architecture evolved. You may go via the confined tunnel to the chamber of this pyramid, which is quite an experience.

after that, bring you to the pier in the heart of Cairo, where you may board the most iconic Felucca boat in all of Egypt. Take a leisurely Felucca cruise along the Nile, where you can see Cairo's incredible nightlife, or take in the warm sun throughout the day and have a BBQ lunch on board.

then we will return you back to Cairo airport
