Enjoy the best day tour to Fayoum from Hurghada

To begin your impressive Sharm El Sheikh Excursions, our [Cairo Top Tours](#) tour guide will meet you in the hotel lobby early in the morning. After being picked up, you will be taken to Hurghada airport to hold your flight to Fayoum, where you can enjoy the beauty of the Fayoum Oasis.

First, you will visit the Fayoum Oasis This vast area, which contains numerous lakes and canals, is a great weekend or day trip destination for those looking to get away from the hustle and bustle of the city. Also, explore the Western Desert in Egypt from Fayoum, and you will also relax your nerves there

The Western Desert of Egypt's Wadi Al-Hitan, also recognized as Whale Valley, is home to phenomenal fossil remains of the earliest and currently extinct suborder of whales, the Archaeoceti. The most significant location for the demonstration of this stage of evolution is here. The shape and way of life of these whales

during their transition are depicted vividly. Such fossils are uncommon in this location because of their abundance, quality, concentration, and location in a picturesque and protected landscape.

Finally, you will move to Wadi Rayan, which is well-known among geologists and archaeologists for its rich supply of marine fossils and prehistoric artifacts. Additionally, you'll eat dinner in the tiny village of Tunis situated in the Fayoum oasis. The village, which overlooks a breathtaking view of the edge of the desert on the other side of the lake, is perched on a hill facing a sizable saltwater lake. It is among Egypt's most stunning locations.

Then the tour guide will be returned you back to the Airport to take your flight to return back to your hotel in Hurghada.
