[Itinerary](#)

flight to the Egyptian museum from luxor, lunch day tour

You will meet our expert tour guide at your hotel to take you to the airport to have a flight to Cairo and then take you to the sites.

Sakkara:

Saqqara contains Coptic monuments, including the Monastery of Anba Jeremiah, in addition to the Imhotep Museum.

Memphis:

The ancient Egyptians believed that Memphis was under the protection of the god Ptah, who is the god of artisans and their patron.

Egyptian museum:

The design of the museum was chosen from among 73 designs presented in the past to officials, while the design of the French engineer "Marcel Dornon", which was built in the style of classical Greco-Roman architecture, won. As for the facade of the museum, it is in the French style with circular arches

then you will be taken back to your airport to catch your flight back to Luxor.

Day meals: lunch during the visits.
