[Itinerary](#)

Jerusalem Day Tour from Sharm El Sheikh

Your tour guide will be waiting for you when you cross the border into Palestine from the other side of Taba after being picked up from your hotel and transported there by bus with the rest of the party. Travel to the Dead Sea to experience the depths of the planet. While traveling to the holy city, we will stop at

the Qurman site, the location of the Dead Sea scrolls, and observe some Bedouin tribes that live in the desert.

next stop on the tour is, of course, the Western Wall. This is the most sacred site in Jerusalem and is a must-see for anyone visiting Jerusalem. The Western Wall is a remnant of the Second Temple, which was destroyed by the Romans in 70 AD. Today, it's a place of prayer and reflection for Jews from all over the world.

Next up is the Church of the Holy Sepulchre. This is the most important site in Christianity, as it's where Jesus is said to have been crucified, buried, and resurrected. The church is shared by six different Christian denominations and is a truly awe-inspiring place.

After the Church of the Holy Sepulchre, you'll visit the Mount of Olives. This is the site of the Prophecy of Zechariah, which says that one day the Messiah will return to Jerusalem and the Mount of Olives will split in two, creating a massive valley between them.

From the Mount of Olives, you'll have a stunning view of the Old City of Jerusalem. This is where you'll find the Dome of the Rock, the Al-Aqsa Mosque, and the Church of the Nativity. The Old City is a UNESCO World Heritage Site and is full of history and culture.

Finally, you'll finish up your tour at the Yad Vashem Holocaust Memorial. This is a moving and powerful place, and a reminder of the horrific events of the Holocaust then we will drop you off at your Sharm el Shiekh hotel.
