Cairo Day Tour from Port Ghalib By Plane

You'll start your tour at your hotel in [Port Ghalib](#), where we'll pick you up and drive you to Marsa Alam International Airport to catch your flight to Cairo. Once in Cairo, you'll meet our guide and visit the famous Giza pyramids, which are the largest and oldest of all pyramids in Egypt.

The tour includes a 45-minute guided tour through the three main pyramids ([Khufu](#), Khafra, and Menkaura) and continues to the Great Sphinx, a monster sculpture of a legendary monster leaning backward, with the body of a lion and the essence of Pharaoh Khafre. During the trip to Cairo, go to the Valley of the Gods, and owe it to Pharaoh Cheops.

You are lucky to know more details about the great sphinx which is considered the guardian of the necropolis and about its real owner, and also how the great pyramids were built and why these pyramids were considered among one of the seven wonders of ancient times?

After your time at the pyramids, head to Cairo's Egyptian Museum which houses one of the largest collections of Ancient Egyptian artifacts in the world and where you'll explore over 130 halls filled with over 120 thousand artifacts from ancient Egypt's 5 millennia of history. You will see some of Egypt's most priceless treasures such as the gold mask of King Tutankhamen.

After exploring these halls full of treasures, take some time to shop at Kan el Khalili bazaar—the largest souk in Africa that has been operating since the 13th century! Finally, after you enjoy the full-day tour of Cairo and Giza, you will be transferred back to Cairo airport, travel to Hurghada, and then be driven to your hotel in Port Ghalib in an air-conditioned vehicle.
