Day Tour
Egypt
Cairo

The beautiful [Pyramids of Giza](#) are what most people see when they think of [Egypt trips](#). These recognizable buildings, which have stood for more than 4,500 years, are simply magnificent. Even though the Pyramids are unquestionably the most well-known site on [Egypt day tours](#), there are many other sights to explore as well. With our [port said shore excursions](#), you may see [the Egyptian Museum](#), which is a short drive from the Pyramids and is home to the largest collection of ancient Egyptian artifacts in the entire world. For anyone with an interest in history or archaeology, this is a must-see. In addition, none of our [Egypt Nile cruise vacations](#) would be complete without a voyage on a real Felucca boat.

Cairo day tours can be customized to include a Nile River cruise, where you can enjoy a relaxing boat ride while taking in the picturesque views of Cairo's skyline.

Ashore Excursions offers a variety of different packages to suit your needs, whether you're looking for a day trip or a week-long adventure. We'll work with you to customize your itinerary so that you can make the most of your time in Egypt. Ready to start planning your Egypt shore excursions.

[Itinerary](#)

Giza pyramids & National museum and Felucca ride from Port Said Port

From the [port](#) said you will be met by our tour leader to lead you to your air-conditioned private vehicle to Cairo.

The Giza Pyramids, which were constructed over 4,500 years ago as graves for the pharaohs of ancient Egypt, will be our first stop. you are going to explore the places where the ancient Egyptians chose to preserve their bodies and personal possessions that will assist and serve them in their lives after death after being resurrected. They devoted the efforts of the Egyptians for hundred years to building the great pyramids and reached these wonders without any modern technologies.

Additionally, you can go to [The Sphinx](#), a large limestone statue of a lion with a human head that stands watch at the Great Pyramid. The Sphinx was initially carved out of a single block of limestone. The Egyptians formed it as a great guardian for their tombs and possessions of the pyramids to prevent any aggression. [The Valley Temple](#), where the pharaohs were mummified, is also included on the Giza Pyramids Tour.

After that, you can spend an exciting and enjoyable time on the beautiful River by taking a sailboat or a Felucca ride. Watch the sun set over Cairo's sky while lounging on a sofa on the boat. Enjoy shooting pictures of the lush riverbank vegetation.

The National Museum in Cairo, Its one of the most significant museums in Egypt that contain a large collection express and sheds light on the Egyptian civilization and Its impressive artifacts.

Finally, we'll take you back to [Alexandria port](#).
