Pyramids and the Step Pyramid from Port Said Port

You will enjoy one of the best and most important excursions in Egypt which is a tour of the pyramids and [The Step Pyramid](#) from Port Said. You will be able to visit the pyramids, which are an engineering and astronomical achievement until the moment. Astronomers have been unable to explain how the pyramids were built with all this astronomical accuracy without the availability of modern theories and tools that we use now to discover the locations and trails of stars and planets.

Located around 59 feet (18 meters) above the earth, the north side of the Great Pyramid is where the entrance is located. From there, a sloping tunnel falls into the inner masonry of the pyramid, past the rocky soil that supports the building and terminates in an incomplete subterranean chamber

You will be able to take many beautiful pictures with [the Great Sphinx](#), which is characterized by its structure built in the shape of a lion's body and a human head. You will visit [the Saqqara area](#) to see the step pyramid that was built from six mastabas. The Step Pyramid in Egypt is one of the most famous and top-visited pyramids in Egypt.

Tour to Giza Pyramids and the Step Pyramid from Port Said Port

our tour leader will pick you up from port said Port. then we will take you to begin your excursions as you get to Cairo. To enjoy a journey to the Giza Pyramids and the Step Pyramids from the port said Port,

first, we will visit the Giza Pyramids which is one of the most famous tourist attractions in the world. It is located in Giza, Egypt, on the west bank of the Nile River. The complex includes the Great Pyramid of Giza, the Pyramid of Khafre, the Pyramid of Menkaure, [the Great Sphinx](#), and many other smaller pyramids and temples. you will enjoy the panoramic view of the pyramids that will make the tour unforgettable and impressive, you are going to have a rare experience.

Then we will see The Great Sphinx a large statue of a lion with a human head. The Sphinx is the guardian : It was carved for the sake of protection and fear the enemies. It is located near the Pyramids of Giza. After that, we will visit The Great Sphinx, and its related temple is right adjacent to the Valley Temple, which serves as a gateway to the entire complex.

second, we will transfer to The Step Pyramid of Saqqara which is one of the most iconic and well-known ancient Egyptian monuments. It is considered one of the most important examples of early Egyptian architecture. The Step Pyramid is built of six stepped tiers, or levels, that rise to a height. The Step Pyramid was originally covered in a white limestone casing, which would have made it even more impressive. However, most of the casing stones have now been removed, and the pyramid is mostly exposed stone. The Step Pyramid is one of the most visited archaeological sites in Egypt. It is a popular destination for tourists and is also a popular spot for photographers.

After that we will transfer to have lunch in a local restaurant in the area, finally, we will return you to port said port in a modern and air-conditioned car.
