Pyramids, Coptic Cairo and felucca ride tour From Alexandria Port

Upon arrival at [Alexandria port](#), you will be picked up by your tour leader and transferred to Cairo.

Your tour guide will pick you up from the port of Alexandria and take you to Cairo, where you will be transferred to a new and cool car.

There's no better way to see the seven wonders of the ancient world than by starting with the King Cheops Pyramid. From there, you'll be able to see the impressive pyramids of King Mykerinus and King Chephren. This will give you a truly unique perspective on all [Giza pyramids](#), from the best spot on the Giza Plateau.

After seeing the [Sphinx](#) of Giza, which is a magnificent example of ancient Egyptian art and architecture, we decided to have lunch at a nearby restaurant. It was discovered in 1912.

If you're interested in seeing some beautiful architecture, then you should head to [Coptic Cairo](#). There you'll find the Hanging Church, built in the 3rd and early 4th centuries, the Abu Sirgah Church, built in the early 15th century, and the Ben Ezra Synagogue, built in the basilica style over a cave where the Holy Family took refuge. It was built in the early 15th century, and is Egypt's first mosque.

After your Cairo felucca tour, take a relaxing sunbath on the Nile River's banks and explore the city on foot. Then take your personal felucca boat to sail the river's waters while exploring sights along the way. Finally, return to Alexandria Port.
