### [Itinerary](#)

**Egyptian Museum & Quad bike trip from Sokhna Port**

Upon your arrival at Sokhna Port, our representative will meet you in front of the port to start enjoying your tours in Cairo.

Enjoy the Cheops, Chephren, and Mykerinus Pyramids. The journey includes a stop at the Valley Temple, which is a part of [the Pyramids](#) of Chephren, before continuing to [the Great Sphinx](#), a pharaoh with a head from the reign of Kephren and the body of a Lion, then you will enjoy your tour on a quad bike. The most interesting method to learn about Egypt's ancient treasures is by far the buggy tour. A nearby restaurant will offer lunch.

after that, we will transfer to Egyptological Museum. The Egyptian Museum in Tahrir Square is a must-see on any trip to Cairo. The museum is the first purpose-built museum building in the world. Spread out over two floors and numerous rooms, it contains the largest collection of artifacts in the world, with the majority of the collection focusing on the pharaonic era. These artifacts date from the prehistoric to the Roman periods.

which contains [Tutankhamun](#)'s offerings, the great king, one of the pharaohs of the eighteenth Egyptian family in the history of ancient Egypt, and was famous for his matchless things made from pure gold and which refers to the great glory of his century.

Finally, we will return you back to your cruise ship at Sokhna Port.
