Your tour will start from Cairo and take you to Alexandria, which was established in 332 B.C by the famous leader [Alexander the Great](#). He was a great king of the ancient Greek Kingdom and established one of the largest empires in the ancient world. Once you arrive, we'll begin our [day tour in Alexandria](#) with a visit to [the Catacombs of Kom El Shoqafa](#). This was originally a private tomb for a wealthy family that was later expanded to accommodate the common people of Alexandria. Afterward, we'll take a short drive to see [Pompey's pillar](#), the tallest standing pillar in Egypt.
