**Price Starting From : \$75**

1 day  
Egypt  
Giza, Cairo

## **A once-in-a-lifetime chance to discover the wonders of Egypt:**

-The [National Egyptian Museum of Civilization](#), a treasure that just added to the heart of old Cairo. It is the first museum in which the display scenario is based on the historical sequence of civilizational periods for each piece, to be aware of the chronological order while touring the museum.

-The three Pyramids of Giza: Khufu; the biggest [Egyptian Pyramid](#), which is also known to history by the Greek name of Cheops. Khafra which is also known as Kherfren, the second-biggest pyramid in Egypt that most of what we know about the great Egyptian pyramids is due to the study of this masterpiece.

- Mankawra: the smallest one of the three pyramids and the only one that doesn't retain any of its original polished limestone casing.

## Itinerary

**A Wheelchair Day-Tour trip to the New Egyptian Museum of Civilization and Pyramids of Giza with and Quad Bike Ride**

On your wheelchair-accessible trip, you will be picked up from your hotel in Cairo or Giza by our professional English-speaking tour guide in an air-conditioned vehicle to head directly to our first destination; [The National Museum of Egyptian Civilization \(NMEC\)](#). There, you will get to learn so many things about Egyptian civilization and Egypt's history in chronological order with your tour guide.

Then after leaving the national museum, we will stop in a near local restaurant to have lunch before heading to the [Necropolis of Giza](#), to go deeper into Egyptian ancient history by visiting the three great pyramids and have a quad bike ride around the area.

And at the end of your day, you will be transferred back to your hotel!
