Day 2: Siwa Sightseeing Sightseeing

Enjoy an Egyptian-inspired breakfast at the Eco-lodge before starting your Siwa Oasis tours. Visit the Shali Fortress ruins while you're there to learn how the ancient Siwan people sought refuge from the fear of attacks by strangers. [The Temple of The Oracle](#), built during the 26th dynasty, as well as the Temple of Um Ubeyda and another temple dedicated to Amun Ra will thereafter be shown to you at Aghurmi Village. During your tour to the Siwa House Museum, you will also discover more about the unique Siwan legacy, and lunch will be provided at one of the Oasis's exquisite eateries.

Drive to the conical [Mountain of the Dead](#), which is located a little more than a kilometer to the north of Shali, after viewing the Shali Fort and taking advantage of some free time for shopping. There are four tombs at Gebel Al- Mawta that are well worth visiting. These monuments, carved into the rock, reflect the Ptolemaic, Roman, and 26th Dynasty eras.

The most well-known hot spring in Siwa Oasis, [Cleopatra Spring](#), where you will spend a peaceful day, is said to have been utilised by Queen Cleopatra, the final pharaoh. Enjoy swimming and diving into the glistening ocean before being driven to Fitnas Island to witness the breathtaking sunset.

Day 3: A safari over the Egyptian desert to the Great Sand Sea

You will eat a hearty breakfast at the hotel before beginning your Siwa Oasis Desert Safari. After that, you'll go on a 4x4 tour of [the Great Sand Sea](#) with your certified Egyptologist. We will begin our Egypt Desert Safari tour by seeing the Mountain of the Dead and several of the kings' tombs in the oasis before going on to the magnificent sand dunes and the fossilised corals from the Cambrian era. Then, after taking you to one of the Great Sand Sea's magnificent sites, a gorgeous lake in the heart of the desert, you could be fortunate enough to see flamingo birds enjoying the peace and quiet of the desert while taking a relaxing bath.

We will now experience sandboarding, which provides us the exhilaration of sliding down sand dunes rather than snow, after passing past Dakrour Mountain. The [Bir Wahid](#) hot spring is the perfect place to unwind after a day of skiing. At the conclusion of the Great Sand Sea Tour, we will enjoy a second mesmerising sunset while sipping Bedouin tea amidst the dunes.

Go back to the eco-lodge and spend the night there after.

Day4: Back to Cairo

You will enjoy your breakfast box in the early morning before leaving Siwa Oasis and travelling through Marsa Matrouh to Cairo. After arriving, you will be driven to your hotel in Cairo for the night. If we happen to return to Cairo sooner than intended, you could choose to book one of the nighttime activities in Cairo, such as watching a belly dance and Tanoura dance performance while dining on an optionally exciting Nile cruise on a sailing boat on the Nile River.

Day 5: Giza Pyramids Tour, Egypt museum

A representative from our organisation will meet you in the lobby after your hotel breakfast to help you with your Cairo day tours. Your tour will start with a thrilling visit to the Giza Pyramids, where you'll be stunned by the size of these colossal monuments that were created during the old kingdom of ancient Egypt's history by the greatest monarchs and rulers.

Visit the Great Pyramid of Cheops, whose painstaking attempts to construct large burial chambers served as inspiration, and King Snefru, the founder of the 4th dynasty and owner of two enormous pyramids at Dahshur. Then, go to the high plateau for a breathtaking vista of the three pyramids, including the pyramids of King Djedefre's successor and son of Cheops, Chephren. His pyramid was a little smaller.

After having the choice to ride a camel on the plateau around the [Giza Pyramids](#), it is now possible to see the Great Sphinx at Giza, a figure of a man with a lion's body that is supposed to have been created for King Chephren himself because it is situated within his funeral complex. Enter the Valley Temple next, where the monarch was mummified before being buried.

After your 2-hour tour is over, continue your journey in Cairo by visiting the [Egyptian Museum](#) to see the largest collection of Egyptian artifacts in the whole world.

Have lunch at a fine dining establishment before being driven to the Islamic Khan El Khalili neighborhood for one of Cairo's best walking tours and a close-up look at the inhabitants. Upon completion of your Cairo City Tour, you will be transported back to your hotel for the evening.

Day 6: Final Departure

You will be driven to [Cairo International Airport](#) for your return flight.
