Dead Sea Tour from Aqaba Port

The greatest approach to truly immersing yourself in Middle Eastern culture is to visit Jordan. The long history, beautiful landscapes, and kind people of this country are well known. A Jordan vacation can include visits to two of the nation's historic cities, Petra and Amman. Jordan's unique culture and mouthwatering food, which blends Middle Eastern and Mediterranean flavors, are also available to tourists.

Take advantage of one of Jordan's most pleasurable and tranquil trips, the [Dead Sea](#) Tour from [Aqaba Port](#), to observe the natural splendor while floating over the Dead Sea.

With an elevation of 400 meters below sea level, the Dead Sea is the lowest ocean on Earth. Reserve our incredible Aqaba to Dead Sea Tour and spend the day floating into the saline ocean.

Dead Sea Tour from Aqaba Port

Dead Sea Tour from Aqaba Port

You will be met by your tour manager at Amman International Airport and then you will check in to your hotel with detailed information about your trip to Jordan. Dead Sea Tour from Aqaba Port.

The Dead Sea Tour from Aqaba Port is one of the most relaxing and enjoyable tours in Jordan. It allows you to float over the Dead Sea and observe the natural beauty.

in this tour, we will take you to [the Dead Sea](#) salty lake with its healthy minerals and medical benefits which attract people from all over the world, discover the dead sea, the saltiest body of water on the planet, one of the coolest things to do in Jordan it's not in any place in the middle east or even the world

you will get to the lowest point on the earth, the dead sea is famous for many strange things there when you get into the water of the dead sea, it's not easy to sink there in the water its literally like someone holding you, a feeling you have never tried it before in any place, you will feel like you are in the space.

float on your back and let anything in your brain get out, many doctors actually told that you can come here to the dead sea for healing also you can't actually get a sunburn here easily because there is some sort of layers left in the atmosphere that provides protection from the ultra violet rays.

there is a pot full of concentrated dead sea mud and you're supposed to just lather your skin with it, that's not all, there is a lot to see at the dead sea come and discover it by yourself and enjoy the moment.
