Day tour

Your tour guide and driver will be there to greet you. You won't need to search for them since they will be waiting for you and will locate you because they will be holding a sign with your name on it.

Your tour guide will focus exclusively on you from the first minute of your trip. When you get in the car, your tour guide will chat to you about anything that interests you about the journey, including everything that is happening along the route.

You'll discover factual and well-humored facts about the history of Al Ula.

Enjoy a leisurely bike ride with the pack leader as you cross the sand dunes and take in the distinctive scenery of Al Ula. Ages 12 and above can enjoy the breathtaking views on this 14-kilometer trek.

The mountain bike and helmet are on us. To protect oneself in the event of a fall, you should dress appropriately and wear appropriate footwear, such as sneakers (never sandals). Steer clear of extremely flowing or loose clothing since it may get entangled in the bike's moving parts. It helps to have a hat, sunglasses, and gloves.

You will be transferred back to your hotel in AlUla.
