Tour to Heet Cave From Riyadh.

Your assigned tour leader will be easy to recognize, as they will carry a sign with your name on it for your convenience. They will provide attentive guidance throughout the tour, ensuring an enjoyable experience. Once on board, he or she will share insightful comments and customize the trip according to your interests.

Saudi Arabia boasts rare and breathtaking wild caves, offering endless exploration opportunities. Venture approximately 40km from Riyadh City Center towards Al Kharj to reach Heet Cave, also known as Ain Heet due to its entrance's resemblance to an eye. Situated at Mount Al Jubayl's face in Wadi As Sulay, Heet Cave features an underground lake within its chambers. Capture stunning photos and indulge in outdoor activities like photography. Families can safely enjoy the cave's wonders.

Inside, a water pool awaits, but be prepared for a steep descent of 300-500 meters; ensure proper footwear for safety. After your exploration, return comfortably to your hotel. Riyadh offers abundant experiences; share your preferences, and we'll arrange additional activities accordingly.
