## **Famous Layover Tour to Jeddah**

Enjoy a city tour to Jeddah in Saudi Arabia, known for being a great vacation spot. It has been recognized as an important city in the world. Since Jeddah is close to the Red Sea, much of the food there focuses on fish and seafood, which is different from other parts of the country. It is a friendly city that loves visiting tourists. If people are nice and follow the rules and traditions, they will have an enjoyable and unforgettable vacation there.

Come join us on a fun tour of Old Town, where we will explore some special places that not many people know about. We will visit Beit Nassif, take a photo at Makkah Gate, stop by the Historical Jeddah North Gate for another photo, and see some other historical houses that mix old and new styles. We will also discover hidden gems in the Old Market, visit hidden galleries in Old Jeddah, and try some tasty local food that only locals know about. It will be a great adventure! The New Jeddah Corniche is a fun and beautiful 30-kilometer stretch along the ocean in the city of Jeddah. It has a road by the water, places to play and relax, and big sculptures you can see and take photos with.

Jeddah has a lot of fun things to do, like seeing amazing places and trying delicious food, then we will go to the Jeddah Corniche, just tell us what you like, and we'll plan it for you.

### Itinerary

**Jeddah Layover Day Tour**

When you arrive in Saudi Arabia, they will be there to greet you and pick you up whenever your plane lands, no matter what time it is.

Your guide will be there with a sign that has your name on it. You don't have to look for them because they will be waiting for you and they will come to you.

Let's go on a tour of Jeddah's special old town; Al-Balad! It's like a neighborhood where lots of families used to live a long time ago. We'll see old buildings, then we will be going to have a lunch in local restaurant. We can walk on the old streets and feel like we're back in time!

When you visit historical Jeddah, we will show you what Saudi Arabia used to be like a long time ago. You can also take a walk in a place called Al-Balad. We will take you to places that not many people know about, like a house called Beit Nassif and a gate in Makkah for a quick photo. We will also stop at a gate in Historical Jeddah for another photo.

Then, you will go for a ride at The New Jeddah Corniche. There are places to play and relax, and big sculptures to look at and take pictures with. Finally, you will visit The Floating Mosque, which is a special mosque that is built on the water. It represents how Jeddah is becoming more modern. The courtyard of the mosque has a great view of the ocean, so people like to visit and take pictures there.
