## [Itinerary](#)

**Day 1: Cairo - Bahariya Oasis - White Desert**

Your pick up will be arranged in the early morning from your Hotel in Cairo or from Giza but in a very comfortable air condition car. Your professional tour guide for [Baharya Oasis](#) is also helped out to you. Also, there is a good green zone before getting to the historical wasteland where an oasis is near the area.

Nice to know, thus the first Interesting Site is named the [Valley of Golden Mummies](#) where two Ultimate mummies do that exquisite burial job. From here one can enjoy being free extent within the boundaries of the Tombs of the Noble and the name well suits the rank of upper ancient Bahariya social class. However, those tombs of Zed-Amun-Ef-Ankh and Bannentiu tombs are rather famous within the listed cemeteries because these tombs are filled with funerary inserts studied as a 'layering', or a sequel that proves the syncretism of various cultures in these regions.

The next one is Alexander the Great temple where according to the local legend she [Biblioteka] was caught sleeping while on route to the Siwa oasis. In the course of the first scientific expedition, the temple of Ain El-Mefetla was attributed to the [26th dynasty](#). But more proof afterwards has indicated that this temple of worship housed five chapels and they formed a very vital aspect in the analysis of this cult statue.

## Day 2: Back to Cairo

The first meal of the day takes on a unique experience of a bedouin breakfast: The tea when boiled is taken in the morning. Hiking with the pride of sunrise. The first positive activity for people is a hot springs bath as the water washes away all the exertion physically and mentally, and practical people realize that they are in an exceptional place.

Today – the [white desert](#) of Egypt with the remains of rocks in the form of 'rabbit ears', and the mushroom-shaped cliffs polished over centuries. The rather interesting thing here is that this place is surrounded by many other places that can cause interest in terms of photo-shooting zones and play zones of nature.

But even before Cairo, the small oasis of Bahariya is found this is an oasis located in the middle of the desert and a green zone on a sea of sand The other site of interest that one can visit is the [Black Desert](#) which is almost on every side of the roads fully covered with small black volcanic stones, therefore the name. You will also be able to visit some other parts like the saltwater. lavatories and Worksheets about the sands of the region and the story about the area from the Bedouin guide and the other attractions.
