[Itinerary](#)

Day 1: Cairo - Bahariya Oasis - White Desert

This tour will be arranged for you after we have picked you up from your hotel in Cairo or Giza in the morning and drive you to [Bahariya Oasis](#). Pick-up will be by a comfortable air-conditioned car with a local Bedouin tour guide with a brief drive through the fresh greenery of the oasis.

The first place that you will visit is the [Valley of the Golden Mummies](#) and here ten magical royal mummies were recovered laying down the historical burial process of the people. Subsequently, visit the [Tombs of the Nobles](#) – the sociable and architectonic evidence about the richness and power of the owners of oases. Among them, the most extraordinary tombs are the Tomb of Zed-Amun-Ef-Ankh, and the Tomb of Bannentiu which was subsequently expanded to accommodate a more extensive burial as due to the conditions of the identified period, it was impossible to use individual tombs for burial anymore.

It is the temple of Alexander the Great who passed through Bahariya on his way to the Siwa Oasis only for three days. Another temple visited is the [Temple of Ain El-Mefetla](#) belonging to the 26th Dynasty. Nevertheless, more recent work in the nineties was completed; four other chapels behind the wall of this Temple were found to exist, and therefore the history of this Temple seems to be even longer.

Day 2: Back to Cairo

Wake up to a cup of tea and savor the oriental Bedouin breakfast, the like of which you would never wish to leave while the sun ascends on the desert and reaches the horizon on the other side. One has to go ahead with the following blows that the gorgeous haven of the desert has bestowed on you – hot water springs to wash your soul and body. From there proceed to the [White Desert](#) where you will find features that are mushroom-like limestone and limestone rabbits.

You will disembark in Cairo by passing Bahriya which is an ever-green land in the desert. Small black stones especially the black volcanic stones are found in the mountainous areas of the [black desert](#) after which you will proceed to the landscape area. Since your Bedouin guide will be with you throughout the tour, you will be taken through the salt lake and the dunes before terminating the tour.

It is as your guide and driver take you to the bus station to end the magical journey for you but it starts the journey of getting you back home with an En-Beloved memory of Egypt's great desert.
