[Itinerary](#)

Day 1: Cairo - Bahariya Oasis - White Desert

This tour to [Bahariya Oasis](#) starts early in the morning when you will be picked up from your hotel in Cairo or Giza and taken in an air-conditioned car with a Bedouin guide. The beautiful green environment is around and near before getting to the historical desert when one approaches the area of the oasis.

Your first stop is an Interesting Place known as [Valley of the Golden Mummies](#) where ten Royal mummies give that all-important insight into burial practices. From here you are free to walk around in the zone of the [Tombs of the Nobles](#) and this gives a befitting description of the status of the ancient Bahariya upper class. Out of all these, the Zed-Amun-Ef-Ankh tomb and the Bannentiu tomb are famous because they were extended over the generations to accommodate additional burials as a sign of the declining cultures of the area.

Following this he went to the [Temple of Alexander the Great](#), in which bibliography is said to have slept en route to Siwa Oasis. Originally, the Temple of Ain El-Mefetla was found to be from the [26th Dynasty](#). However, new excavations have demonstrated that this temple has four other chapels and this played an extremely important role in determining the significance of this cult center of worship.

Meals: Breakfast, Lunch

Day 2: Back to Cairo

Your day begins with an enchanting Bedouin breakfast: tea on the delicious sands of the empty desert facing an audacious sunrise. The first activity of interest involves a dip in the hot springs since the water has the effect of washing off any physical and mental stress, and gives the real folks the feeling of being at an oasis.

From here go to the extraordinary [White Desert](#) of Egypt, where mushroom-shaped limestone formations and the 'rabbit' shaped rocks of the desert wind have been chiseling for centuries. The thing is that around such a landscape there are so many places where one can take gorgeous and enthralling photos and simply appreciate the creations of Mother Nature.

But before getting to Cairo there is Bahariya Oasis, a green desert island in the middle of dunes. On the way, it is better to stop at the [Black Desert](#), the terrain of which is composed of dark volcanic pebbles, after which this territory was named. You will also be able to explore other features like the saltwater lavatory and Worksheet the dunes' Besides the great account given by the Bedouin guide giving information about the land and its other features.
