Wheelchair Accessible Tour to Giza Pyramids with Quad Bike, and Camel Ride

Our licensed English-speaking tour guide will pick you up from your Cairo hotel and drive you in an air-conditioned vehicle to your destination. You will then be transferred to the Giza Necropolis area, where you

can tour [the Giza pyramids](#), which were built during the Fourth Dynasty of the [Old Kingdom](#) in ancient Egypt, the valley temple of King Chephren, and the enormous Giza [Sphinx](#), which has a human head and a lion's body, while learning more astounding details about their pasts and legends.

Then, after traveling 25 kilometers south of Cairo, it is time for your hour-long quad bike tour and hour-long camel ride. Naturally, you will have the opportunity to capture some breathtaking images of the entire scene from the high plateau.

You will be transferred back to your hotel by the end of your trip.
