In a short while, we'll be checking in on our yacht. A motorboat will next take us to Agilika Island, where we will explore the [Philae Temple](#), which was constructed in the third century BC during the Greco-Roman era.

Our last stop on this wonderful day tour in Aswan will be the [Unfinished Obelisk](#), which was found close to Aswan.

After the excursion, we'll head back to your Nile Cruise.

Meals: Lunch and dinner.

Day 2: Kom Ombo and Edfu Temples

An invigorating breakfast will be served on the ship. Our Nile Cruise ship will dock in Kom Ombo. Here, we will visit the Temple of Sobek & Haroeris, which was constructed during the Ptolemaic period and finished during the Roman era. This temple was dedicated to two gods, the local crocodile [god Sobek](#) and the fabled eagle god Haroeris.

We'll then head back to our yacht to unwind and rest after that. We'll see the best-preserved ancient Egyptian temple in the Nile Valley, the [Edfu](#) Temple of Horus.

Later, We'll go back to our yacht after that to spend the night.
