where you can check in and settle in after your exhausting travel.

You will have free time to relax and unwind, perhaps taking a nap or exploring the hotel's amenities. In the evening, you can enjoy dinner at the hotel's restaurant.

Day 2: Giza Necropolis and the Egyptian Museum

You will have an exclusive opportunity to visit the renowned Giza Plateau, which is home to the Great Sphinx and the [Pyramids of Giza](#) before it is opened to the general public.

You will visit the Great Pyramid of Khufu, the only remaining wonder of the ancient world, where we will have exclusive access to the Queen's Chamber and the Subterranean Chamber, which are usually off-limits to the public.

After a delicious lunch at a nearby restaurant, we will continue to [the Egyptian Museum](#), where we will see an impressive collection of artwork spanning 5,000 years. The museum houses over 250,000 genuine artifacts, such as an exhibition of Tutankhamun's riches, gold, and jewelry collection that remained in his tomb for over 3500 years.

After the museum visit, we will take you back to your hotel, where you can relax.

Day 3: Old Cairo Tour

Our guide will pick you up from your hotel to visit [Coptic Cairo](#), which is a part of Old Cairo and is home to the Babylon Fortress, [the Hanging Church](#), the Greek Church of St. George, and many other Coptic churches and historical landmarks. According to Christian mythology, the Holy Family passed through this area and stayed at the site of the Saints Sergius and Bacchus Church (Abu Serga). Despite the fact that most of the churches' current architecture was built after the Muslim invasion of Egypt in the 7th century, and Coptic Cairo remained a stronghold for Christianity in Egypt until the Islamic era.

Our next stop will be the [Ben Ezra Synagogue](#), which is also known as the Synagogue of the Levantines or the El-Geniza Synagogue. According to local folklore, this is the location where baby Moses was found. Hebrew, Aramaic, and Judeo-Arabic secular and religious manuscripts were discovered in this synagogue in the 19th century in its genizah, or store chamber. Solomon Schechter initiated the transfer of the Cairo Geniza collection to the University of Cambridge in Cambridge, England, and it is now dispersed throughout several academic institutions.

After our tour, we will transfer you back to your hotel in Cairo, where you can relax.

Day 4: Fly to Luxor ((Luxor tour))

We will take an early morning flight to Luxor, the site of ancient Thebes and the former capital of Egypt. Upon arrival, we will board a nice cruise ship to start our tour down the Nile River.
