Explore the awe-inspiring Pyramids of Giza, one of the tallest and largest pyramids in the world made up of over two million stone blocks. Take optional camel rides and capture stunning photos of the view from the plateau, including the two other pyramids of Chephren and Mycerinus. Visit the Valley Temple and the Great Sphinx of Giza before heading to the Saqqara necropolis to see the Step Pyramid complex of King Djoser, built in the 27th century BC. Marvel at the well-preserved tombs of the nobility and the tomb of Kagemni, who ruled Egypt during the 6th dynasty, as well as the Pyramid of Teti. Enjoy a delicious lunch at a top-notch restaurant before being transferred to the ancient capital of Egypt, Memphis, to see its open-air museum with the alabaster sphinx and amazing statues of King Ramses II. After a day of excitement, return to your hotel for a comfortable overnight stay in Cairo.

Day 3: Egyptian Museum, Coptic Cairo, Cairo Citadel, Khan El Khalili

Get ready for an exciting day in Cairo! Start your day with a delicious breakfast at the hotel before meeting your tour guide to embark on an amazing trip. Our first stop is the Egyptian Museum, which houses the most complete exhibition of ancient Egyptian treasures, including some from Tutankhamun's tomb. The museum is located near Tahrir Square and takes about two hours to explore the incredible artifacts from various eras of Egyptian history.

Next, we'll head to the Saladin Citadel, a fortress built in the 12th century by the famous Sultan Saladin, located on a hill and home to one of the most impressive mosques, the Mohamed Ali Mosque. This mosque is made of granite and was founded by the ruler who brought significant reforms to Egypt, modernizing education, military, industrial, and agriculture during his reign.

Our Cairo day tours continue with a visit to the Coptic area of Old Cairo, home to the largest Christian community in Egypt. We'll walk through narrow tunnels and visit various churches, including the St. Sergius, where the holy family took refuge in a crypt. We'll also visit the Hanging Church, suspended on the two towers of the Roman fortress of Babylon, and the Ben Ezra Synagogue.

After a delightful lunch, we'll head to Khan-El-Khalili, the most important bazaar in Egypt. We will take a rest for a typical tea-mint or fresh mango juice at one of the oldest cafes in the area. The souk is free and open until late at night, making it the perfect place to enjoy the lively atmosphere of Cairo. After an exciting day, return to your hotel for a comfortable overnight stay in Cairo.

Day 4: Final Departure

On your last day in Egypt, enjoy a delicious breakfast at your hotel before meeting our representative, who will assist you with your departure arrangements. We'll ensure a smooth transfer to the airport for your final flight back home.
