Upon your arrival at Cairo airport, our representative will welcome you and accompany you to your hotel. Once you settle in, enjoy a Welcome Drink. If you have sufficient time and are interested in learning about Egypt's rich history, you can opt to attend an enchanting sound and light show at the iconic Giza Pyramids on the following day.

## Day 2: Giza Pyramids, Saqqara, Memphis

After a delicious buffet breakfast at the hotel, your certified tour guide will lead you on an exciting tour of the Giza Pyramids area. This experience will give you a fresh perspective on Egyptian history, and your knowledgeable guide will happily answer any questions you may have during the tour.

King Cheops, the son of Snefru, was an exceptional builder, just like his father who constructed the middle pyramid in Giza. From the plateau, you can also spot the smaller yet historically significant pyramid of King Mycerinus while having the option to enjoy a camel ride in the Giza Pyramids.

In the Valley of King Chephren, you'll witness the mummified remains of King Chephren, and nearby stands the impressive Sphinx statue—a fascinating man-headed lion carving that will leave you amazed.

For art enthusiasts, a visit to Saqqara is a true delight. It's 200 years older than the Giza Necropolis and boasts some of Egypt's finest tombs. Don't miss the chance to explore the tomb of Kagemni, the vizier of justice and son-in-law of King Teti—a captivating experience.

Continuing to Mit Rahina, you'll discover an open-air museum showcasing intriguing artifacts from different periods of ancient Egyptian history. Notably, you'll encounter the alabaster sphinx of Memphis, one of Egypt's largest, and the colossal statue of Ramses II, one of the most significant kings of the 18th dynasty. Enjoy a delicious lunch amid the vibrant sights and sounds of this remarkable site.

Overnight in Cairo, cherishing the memories of this incredible day.

## Day 3: Islamic Cairo, Coptic Cairo, Egyptian Museum

After breakfast, your tour guide will take you on an exciting city tour of Cairo, beginning with the historic Cairo Citadel. During the Islamic Cairo trips, you'll explore significant historical sites while discovering the rich Islamic culture that has shaped Cairo for centuries.

The remarkable Saladin Citadel, built in the 12th century by Sultan Saladin, served as a medieval fortress to safeguard the city from potential threats. Sultan Saladin recruited mercenaries for Egypt's army, but they later gained power, leading to the Citadel Massacre, where Mohamed Ali Basha eventually ousted them.

Inside the beautiful Citadel, you'll find the splendid Mohamed Ali Mosque, offering breathtaking views of Cairo from its elevated position (weather permitting).

If you're interested in Christianity's history, we'll gladly show you some of the world's earliest churches and the site where the Holy Family sought refuge during their journey from Herod. You'll also get a glimpse of one of the oldest synagogues in the Middle East.

After a delightful lunch, enjoy exploring the vibrant Khan El Khalili market in Cairo's downtown area. This place is rich in history, with centuries-old mosques and mausoleums of the companions and family members of Prophet Mohamed. Take a leisurely walk through Cairo's charming alleys before returning to your hotel.

Overnight in Cairo.
