Relax in a comfortable, air-conditioned vehicle as we transport you to your hotel. Your expert tour guide will then go over your itinerary for the Cairo, Nile Cruise & Red Sea Tour. You can choose to relax on your first evening or opt for a magical tour of the Sound and Light Show at the Giza Pyramids area. Enjoy a warm welcome drink from your hotel and spend the night in Cairo.

Day2: Pyramids, Dahshur ,Memphis

After enjoying your breakfast at the hotel, your tour guide will meet you to start your Cairo day tour to Giza Pyramids, Dahshur, and Memphis. The first stop is the Giza Pyramids, where you will be awe-struck by the sheer size of these massive structures. They were constructed during the old kingdom of ancient Egypt, over 4500 years ago, by some of the most influential kings and rulers of that time. These pyramids were built to showcase the incredible accomplishments made possible by the Nile River.

See the Pyramid of Khufu, also known as the Great Pyramid of King Cheops, is the oldest and largest of the three pyramids in the Giza Necropolis. Built during the 26th century BC, it is considered one of the Seven Wonders of the Ancient World. Despite erosion reducing its height from 146 to 138 meters, it remains an incredible feat of ancient engineering and a must-visit attraction in Egypt.

Continue your exciting Cairo tours by visiting the ancient city of Memphis, known as Mit Rahina, which was once the oldest capital of Egypt. Here, you'll see an open-air museum featuring the second-largest sphinx made of alabaster and a colossal statue of King Ramses II, one of the most powerful kings of the New Kingdom era.

Next, you'll be transferred to the Dahshur Archaeological site to see the Bent Pyramid and the Red Pyramid, constructed for King Snefru, the father of King Cheops. The Bent Pyramid is unique because it still retains a large percentage of its outer casing material, while the Red Pyramid is considered the first perfect-shaped pyramid in Egypt due to the reddish color of its limestone blocks.

Before returning to your hotel, you'll enjoy a gourmet lunch at a high-quality restaurant overlooking the pyramids of Giza. Don't miss out on this incredible tour, which includes breakfast and lunch.

Day 5: Fly to Cairo, Egyptian Museum, Coptic Cairo, Khan El-Khalili

Enjoy a delicious breakfast buffet, and we will then take you to the airport for your flight to Cairo. Once you arrive, your guide will be waiting to take you on an informative tour of Coptic Cairo, the oldest part of the city. You will visit the Hanging Church of the Holy Virgin Mary, built on top of the ruins of a Roman fortress called Babylon. You will also see the church of St Sergius, also known as the cavern church, which has a well that the holy family used for water while they were hiding in the crypt. Lastly, you will visit the Ben Ezra Synagogue, which was originally a Coptic church but was later sold and turned into a Jewish synagogue. This tour is full of fascinating history and cultural insights.

After a delicious lunch at a quality restaurant, we will continue your Cairo day tour with a visit to the Egyptian Museum. Inside, you will see some of the oldest artifacts in existence, as the museum houses the largest collection of ancient artifacts. The museum has been open to the public since 1902 and is a must-see attraction while in Cairo.

To top off your day, we will take you to the Khan El Khalili bazaar, the oldest market in Cairo, for an unforgettable shopping experience. You will find an array of unique and traditional products to take home as souvenirs.

Finally, we will transfer you to your hotel for check-in and an overnight stay in Cairo. You will enjoy breakfast and lunch during your day tour.
