## **Day 2: Visit the Giza Pyramids, Saqqara, and Memphis**

At your Cairo hotel, you'll enjoy a sumptuous breakfast to start your lovely day.

Begin your Egypt Classic Tours under the reputable direction of a knowledgeable Egyptologist from Cairo Top Tours, who will accompany you on your tour to the Giza Pyramids. You will be escorted to a number of sights in Giza as you go there, beginning with the majestic Great Pyramid of King Cheops. This magnificent building, which was built over the course of 30 years during the 4th dynasty of the old kingdom, some 4500 years ago, is the only remaining marvel of the ancient world. Additionally, you will go to the Pyramids of the famed monarchs Chephren and Mycerinus of Egypt.

We shouldn't pass up the chance to see the splendor of the Great Sphinx and the Valley Temple Khafra, which belonged to the illustrious King Chephren, who built the second pyramid after his father Khufu and also owned the Great Sphinx. But before witnessing this wonder, we will climb the high plateau, giving us the wonderful opportunity to go camel riding in the Giza Pyramids (an optional activity), and with the help of our expert, take some stunning pictures.

You will also go to the Saqqara Necropolis, where the Egyptian Pharaohs built their kingdoms. You will tour the King Djoser Step Pyramid complex and other grand royal pyramids with your own personal driver and guide. You will also be astounded by the brilliantly painted and inscribed tombs of nobility that feature scenes from everyday life.

We will enjoy a superb lunch at local Egyptian restaurant as a delightful prelude to our trip to Memphis. Then, we will travel to the famed Memphis museum, where we will be awed by the enormous alabaster sphinx, the magnificent statue of Ramses II, as well as a variety of other items found nearby.

Your respected private guide will politely and attentively escort you to your accommodation following the completion of your Cairo tour.
