Giorno 2: Escursione alle Piramidi e alla Sfinge

Iniziate il secondo giorno dei vostri pacchetti turistici di gruppo di 12 giorni con questa escursione di mezza giornata alle piramidi di Giza e alla sfinge. Verremo a prendervi in hotel al Cairo alle 9:00 per dirigerci verso l'altopiano delle piramidi di Giza, dove visiteremo la Grande Piramide di Cheope, la Piramide di Chefren e la Piramide di Micerino.

La Grande Piramide è una delle strutture più imponenti mai costruite dall'umanità. Fu completata intorno al 2560 a.C. e ci vollero più di 20 anni per costruirla: i costruttori usarono solo strumenti di rame! La Grande Piramide è ancora oggi considerata una delle meraviglie del mondo perché è rimasta in piedi per così tanto tempo senza essere distrutta o danneggiata da terremoti o altri disastri naturali.

Dopo la visita alle piramidi, andremo a vedere un'altra antica meraviglia: la Grande Sfinge. La Sfinge è un monumento in pietra con testa umana e corpo di leone che risale al 4500 a.C. circa; è uno dei monumenti più antichi ancora in piedi!

Se avete tempo, potete fare un giro in cammello in un vicino villaggio del deserto per assaggiare l'autentica cucina egiziana e i suoi souvenir!

Dopo questa escursione, torneremo al vostro hotel al Cairo per il pranzo, il tempo libero e il pernottamento in hotel.
