Start your day with a delicious buffet breakfast at the hotel before your personal English-speaking tour guide accompanies you to the Giza Plateau. Here, you'll visit the Great Pyramid of King Cheops, which was built on a perfectly squared piece of ground oriented in an unusual cardinality that still impresses world astronomy scientists today. You'll have plenty of time to take photos and learn about the history and significance of these ancient structures. Additionally, you'll see the Great Sphinx and the Valley Temple of King Chephren, where the mummification process was performed.

Afterward, you'll enjoy a delicious lunch at a high-quality restaurant in Cairo before heading to [Islamic Cairo](#) to explore the local market, experience real life in Egypt, and try traditional tea-mint at El Fishawy or Layaly Al-Hussein, Cairo's oldest cafes in [Khan El Khalili](#).
