You will be escorted by our tour guide to the Giza pyramids where you can view the Great Pyramid of Cheops as well as the pyramids of Chephren and Mycerinus. Then travel to the Valley Temple of Monarch Chephren, where his royal corpse had been mummified before burial, where you will see the Great Sphinx, the Pharaoh's head, and the body of a lion to symbolise the might and wisdom of the king. Your guide will go over each step of the mummification process with you.

Lunchtime has arrived! After stopping for lunch, which will be provided at a high-quality restaurant, you'll be taken to Sakkara to see the Step Pyramid of King Zoser, which is thought to be the oldest man-built structure constructed completely of stone in the whole world (Djoser Pyramid). Additionally, you will see the Kagemni tomb, one of the noble tombs at Sakkara owned by the son-in-law of King Teti, as well as the pyramid of Teti, which has the most spectacular interior of all the accessible pyramids of Egypt (neither of which require an additional ticket). Your tour guide will take you on a tour of Old Cairo, where you will see [the Citadel of Salah El Din](#) and the Alabaster Mosque of Mohamed Ali inside. The Citadel is regarded as the administrative centre of Egypt because it was built there from Salah Edin until the reign of King Farouk in the first half of the 20th century and is modelled after Istanbul's famed Blue Mosque.

Finally, you will proceed to the Ben Ezra Synagogue, which is said to have been the location of the pharaoh's palace where Moses picked up the basket from the Nile.

Continue with our Cairo Sightseeing Tours to see the different remnants of ancient Cairo to view the historic walls, mosques, and Islamic Cairo excursions. The city's mediaeval madrasas, sails, and gates, as well as its ancient stone-paved alleys, date to the 10th century.
