At your Cairo hotel, you'll begin your lovely day with a delectable breakfast. Start your Egypt Classic Tours under the expert guidance of Cairo Top Tours' knowledgeable Egyptologist, who will guide you on your tour to the Giza Pyramids. You will be escorted to a number of sights in Giza as you begin your adventure, first with the spectacular Great Pyramid of King Cheops. Constructed over thirty years during the 4th dynasty of the old kingdom, approximately 4500 years ago, this remarkable building is the only surviving wonder of the ancient world, demonstrating its resilience. Additionally, you will see the Pyramids of the two famed Egyptian monarchs, Mycerinus and Chephren.

We must not pass up the chance to see the splendor of the Sphinx and the Valley Temple Khafra, which belonged to the great King Chephren, who built the second pyramid in the footsteps of his father Khufu and owner of the Great Sphinx. But before we see this wonder, we'll head up to the high plateau, which will give us a fantastic chance to go camel riding in the Giza Pyramids (an optional activity) and take some amazing pictures with our knowledgeable guide.

Additionally, you will see the Saqqara Necropolis, where the Egyptian Pharaohs founded their kingdoms. You will tour the King Djoser Step Pyramid complex and other imposing royal pyramids with your own driver and guide. You will also be astounded by the ornately painted and engraved graves of the nobility, which portray scenes from everyday life.

As a pleasant prelude to our trip to Memphis, we will have a delicious lunch at a classy Asian restaurant.

After that, we'll visit the famous museum in Memphis, where we'll be able to see the enormous sphinx made of alabaster, the magnificent statue of Ramses II, and a variety of other artifacts that have been found nearby.

When your tour of Cairo comes to an end, your wonderful private guide will take you to your accommodation with the utmost care and consideration.
