Day tour to the best malls in Egypt

The best shopping centers in Egypt are planned for you to visit during the day, and there is no better way to get ready for that than by meeting your Cairo Top Tours tour leader at your place of accommodation. Then, you will be transferred to a comfortable and air-conditioned vehicle to face the first stop of the day:

Mall of Egypt:

This mall remains in the entry to 6th October City, and it is also the first of its kind. Aside from shopping in a variety of shops, customers can also visit Ski Egypt, which boasts of dense, falls of snow, and moving penguins. For something more interesting, pay a visit to Magic Planet or indulge in some activities, especially at Gravity Code.

Mall of Arabia:

Another great reason it is called the Mall of Arabia is because it's one of the major arcades in Egypt; shopping paraphernalia will be in the palm of your hands, and even the bustling dancing fountain attraction does not escape intermission.

City Stars Mall:

It takes the form of a cornucopia in Nasr City and lets you know that shopping heaven is within reach for the different styles of nice clothes that you can get over there. Or you can also get to skate at the ice rink situated in this above said shopping mall.

At the end of the tour, you will be driven back to your hotel, thereby bringing your day with Cairo Top Tours to an end.

Meals:

Lunch will be provided for you and all participants during the day.
